Safety and Best Practices for Photographers and Videographers

Your course access for coverage of the race is governed by Best in the Desert and the BLM. You MUST ADHERE to these rules, or you will be removed.

You will be given a map that shows you where you may park your car to access the racecourse. Please do NOT deviate from the marked roads and parking spots indicated on this map.

Prior to driving out to the racecourse please hang your media placards on your front and rear window. Please put on your media vest and be prepared to show your wristband and credential badge. Everyone in your vehicle must have a vest, wristband, and credential – no exceptions.

Per BITD media requirements, **ALL MEDIA are required to stay back AT LEAST 50 FEET from the racecourse at all times.** YOU ARE NOT ALLOWED TO STAND IN THE RACECOURSE FOR ANY REASON. If you are found on the course or within 50 feet of it by a Best in the Desert Official, or BLM official, your media privileges will be immediately revoked and you will be required to leave the event.

You are not permitted to drive on any part of the racecourse at any time. No Exceptions. Tampering with any Best In The Desert racecourse markings, for any reason WILL NOT be tolerated and will result in immediate removal from the event, and permanent ban from any future Best In The Desert events.

Do NOT drive your vehicle into the open desert! Remain on marked roads always. DO NOT PARK ON VEGETATION OR YOU WILL BE TICKETED BY THE BLM. To access the racecourse during the event park your vehicle on access roads and walk into the racecourse.

Use common sense when picking your spot to film or shoot from. The outsides of turns are very dangerous! Do not under any circumstances cross the racecourse when a competitor is on course.

PICK UP YOUR TRASH. The UTV World Championship is a LEAVE NO TRACE EVENT. Help us protect this fragile ecosystem and keep this area open to OHV and off road racing. Please pack out all of your trash.

PLEASE NOTE: Driving UTV's on public roads is illegal in Nevada. It does NOT matter if they are registered as on-road vehicles in Arizona, or other states. You WILL be ticketed and may be towed if pulled over for driving UTV's on roads in Laughlin.
